

## ARDI Code of Conduct

---

All ARDI volunteers are required to acknowledge the Destination Imagination Code of Conduct. Starting this year, there is not a separate form for this. The Acknowledgement is now built in as a check box in the following registration processes:

- If you are a team manager, team coordinator or other ARDI official and have a DI Account, you will be asked to acknowledge the code of conduct each program year. Simply read the material, check the box, and submit when asked.
- If you are an appraiser or support volunteer, you will acknowledge the Code of Conduct through the registration process through RegisterYourTeam.org.

If you have any questions about the Code of Conduct requirements, please reach out to your Affiliate Director at [arkansas.di.info@gmail.com](mailto:arkansas.di.info@gmail.com).
